Welcome....

It delights me to see so many students interested in Yoga. More and more, people are seeing and experiencing the tremendous healing benefits of yoga and meditation. It is my hope that through the study and practice of Kundalini Yoga, you experience a greater awareness, a peaceful life, and are able to discover the power you hold within. When we gather together to experience yoga, there is a healing wisdom that benefits everyone who participates. According to Gurmukh Kaur Khalsa, "No amount of worldly success or money or knowledge can ever be as valuable as feeling comfortable in your own body."

Course Description

Kundalini Yoga is a system of self-cultivation and self-discipline that allows us to access our infinite self, our core identity. Rather than a belief system, Kundalini Yoga is a technology of self awareness practice. Kundalini Yoga helps achieve insight into obstacles that obscure our conscious awareness. It is not a religion, but provides a very firm foundation on all levels of being so that an individual may excel in any area of life. It is a gift for all people to experience the expansiveness of body and spirit.

All students are welcome anytime, however, if you arrive late **please avoid anything that would distract or disturb other students**. Students are discouraged from leaving class early. An essential aspect of Kundalini Yoga is learning how to achieve deep relaxation and disengagement from the outside world. **Please turn off all cell phones before entering the classroom.**
