Course Description from Catalog: The aim established for the course is to provide the citizen responder with the knowledge and skills necessary in an emergency to help sustain life and minimize pain, and the consequences of injury or sudden illness, until professional medical help arrives.

Required Textbook (s) /Recommended Books/other materials:

American Red Cross, First Aid-Responding to Emergencies

Department Objectives:

All PEHR courses have the following learning outcomes:

- A. Enhance development of physical, mental, social, and emotional well-being through physical education;
- B. Be supported to develop personal, lifelong commitment to physical activity for the long range health benefits;
- C. Develop competencies in athletic activities that will bring greater satisfaction to participation in athletics;
- D. Demonstrate an understanding of physiology that promotes safety in physical exercise;
- E. Develop a fitness plan pertinent to the physical activity of the course, as applicable.

Course Objectives:

The course content and activities will prepare participants to recognize emergencies and make appropriate decisions for first aid care. The course teaches the first aid skills the citizen responder will need in order to act as the first link in the Emergency Medical Service System. This course also emphasizes the prevention of injuries and illness, with a focus on personal safety.
