American Red Cross, First Aid-Responding to Emergencies

Course Description:

The aim established for the course is to provide the citizen responder with the knowledge and skills necessary in an emergency to help sustain life and minimize pain, and the consequences of injury or sudden illness, until professional medical help arrives.

Department Objectives:

All PEHR courses have the following objectives:

- A. Enhance development of physical, mental, social, and emotional well-being through physical education;
- B. Be supported to develop personal, lifelong commitment to physical activity for the long range health benefits;
- C. Develop competencies in athletic activities that will bring greater satisfaction to participation in athletics;
- D. Demonstrate an understanding of physiology that promotes safety in physical exercise;
- E. Develop a fitness plan pertinent to the physical activity of the course, as applicable

Course Objectives:

The course content and activities will prepare participants to recognize emergencies and make appropriate decisions for first aid care. The course teaches the first aid skills the citizen responder will need in order to act as the first link in the Emergency Medical Service System. This course also emphasizes the prevention of injuries and illness, with a focus on personal safety.

Institutional and Class Policies

ACADEMIC INTEGRITY: Failure to comply with academic integrity, honesty, and behavior standards of Dixie State College may result in course failure or administrative withdrawal from the class. Don't be cheating. Inappropriate classroom behavior may also result in an administrative withdrawal.

Withdrawal for disruptive behavior policy- Disruptive behavior in class may also lead to an administrative withdrawal. Disruptive behavior is defined as any behavior that interferes with the teacher's ability to teach or the learning of other students. You will be notified of your withdrawal in this way:

1. A verbal request to comply with behavioral expectations of the class.
2. One written 'warning' letting you know that you have not made the required behavioral adjustment.
3. Administrative withdrawal.

Withdrawal from class- If you decide to withdraw from class, it is your obligation to formally do so through the registrar's office to make sure you are not still on the role for the class.

Student Support Services

If you are a student with a medical, psychological, or learning disability and would like accommodations, contact Sherri Dial at the Disability Resource Center (652-7516) in the Student Services center. The Disability Resource Center will determine your eligibility and determine the appropriate accommodations related to your disability.
